Places are filling fast for **A Seminar with Professor Tony Attwood**

Monday 30 August 2010 | 9.30am - 3.30pm

Tony Attwood is a practising clinical psychologist, world renowned for his work with individuals with Autism and Asperger's Syndrome; and a prolific author of books and articles on the subject.

This **not-to-be-missed** seminar will include:

Managing Challenging Behaviour in Children with Autism

The presentation provides explanations and strategies, focussing on children and adolescents with classic Autism.

Asperger's Syndrome in Adults: Employment & Relationships

This presentation includes: finding and keeping appropriate employment; developing friendships into relationships; strategies to facilitate emotion management in adults; and the expression of Asperger's Syndrome throughout lifespan.

Cost: Non members:\$200.00

Discount for Autism Association Members: Members: \$180.00
