

# Starting A New School Year

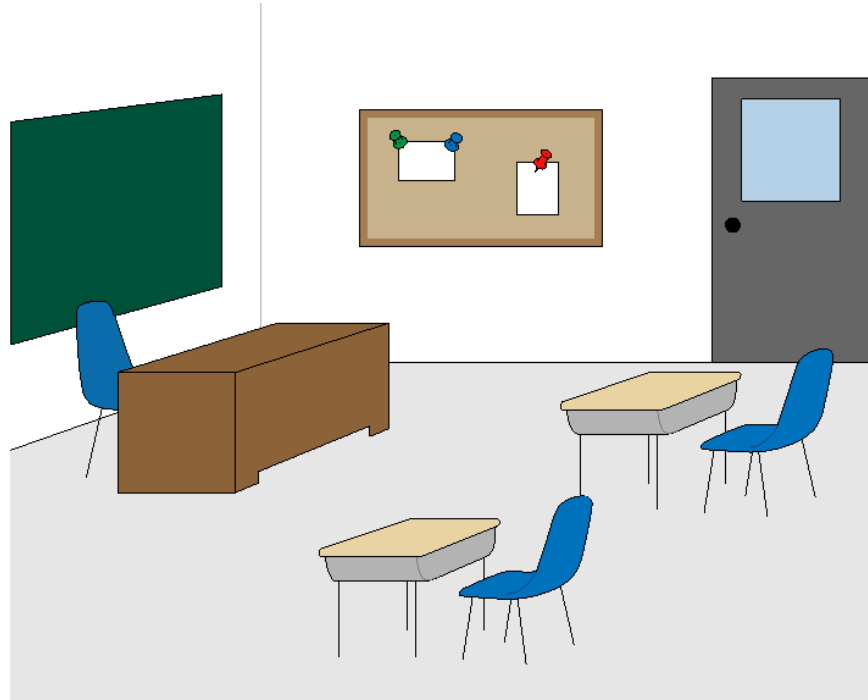

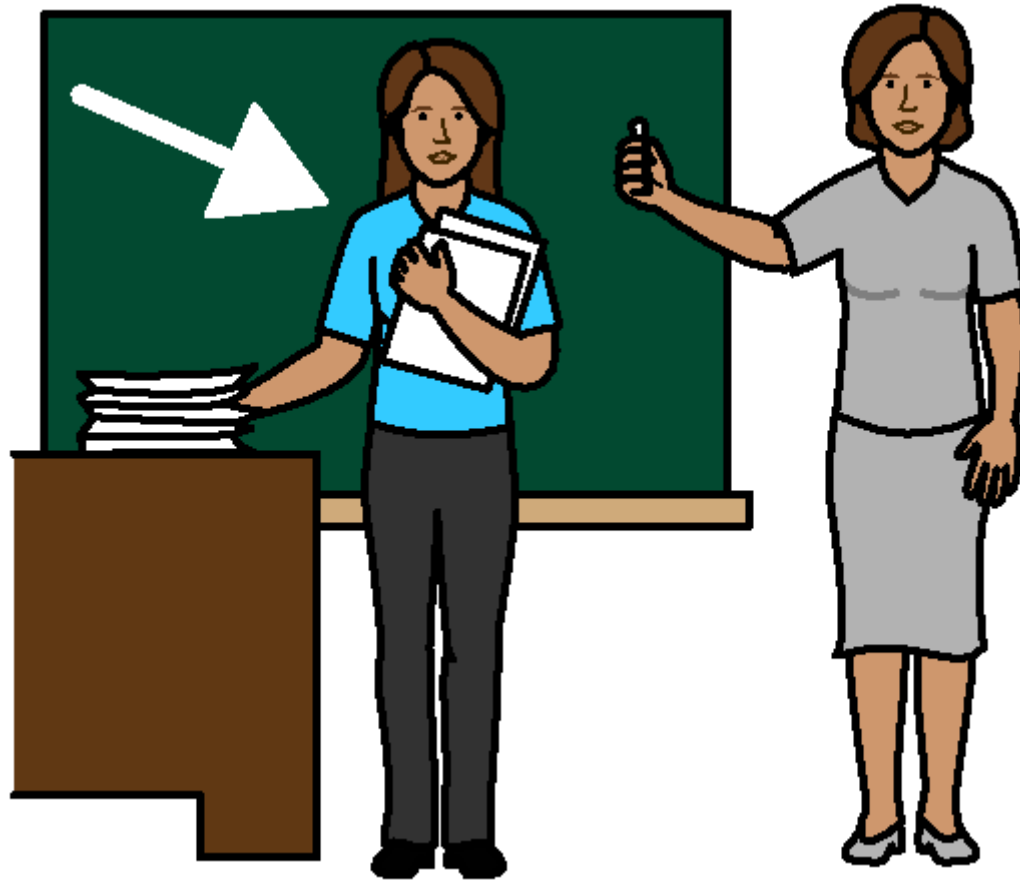

When the holidays are over I will go back to school.

When school starts again, I will be in a new class.  
This is ok. Most kids go to new classes each year.

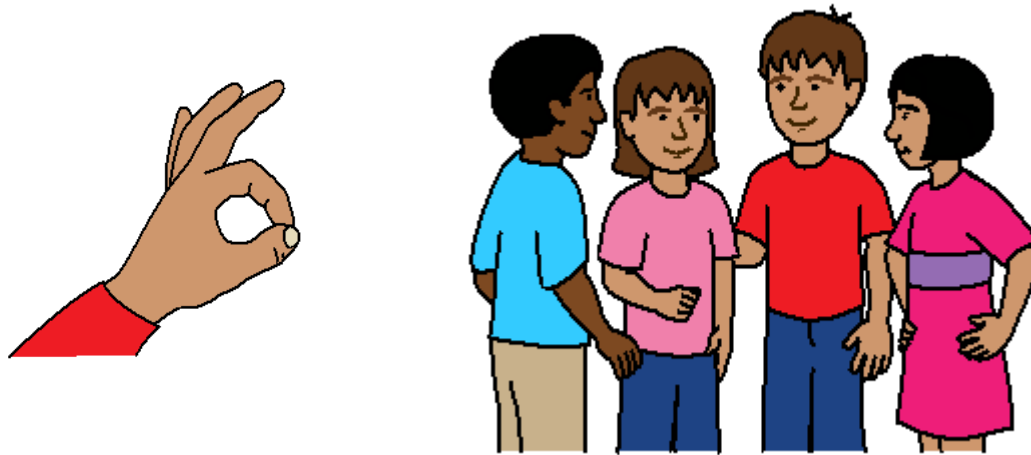

I might have a new classroom.

I might have a new teacher.  
I might also have a new helper.

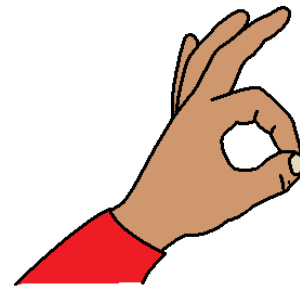

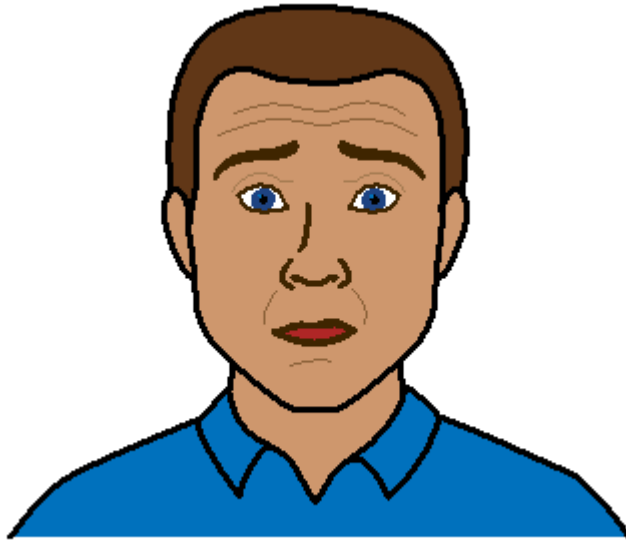

They will be good at helping me.

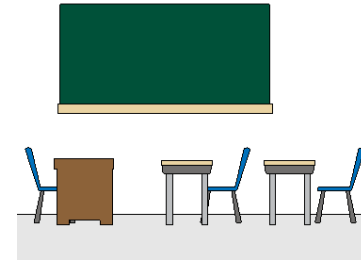

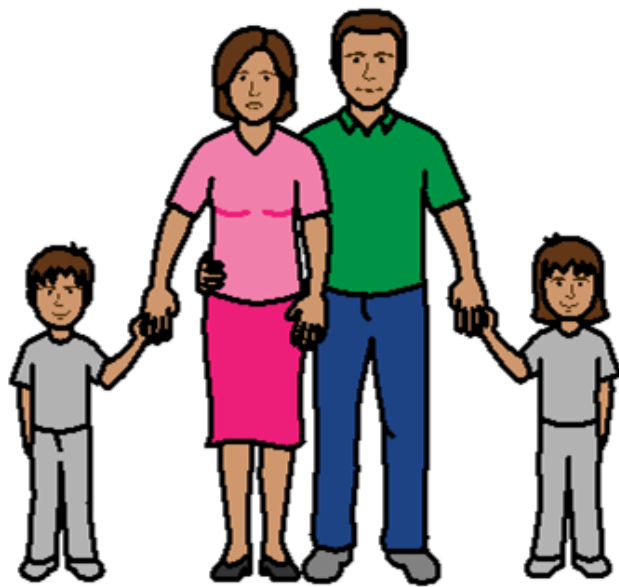

There might be children in my class that I don't know.

This is ok, I can make some new friends.

Starting in a new year can be scary. This is ok.  
Everyone gets a little scared and worried sometimes.

My parents will help me find my new classroom.

They will introduce me to my new teacher.

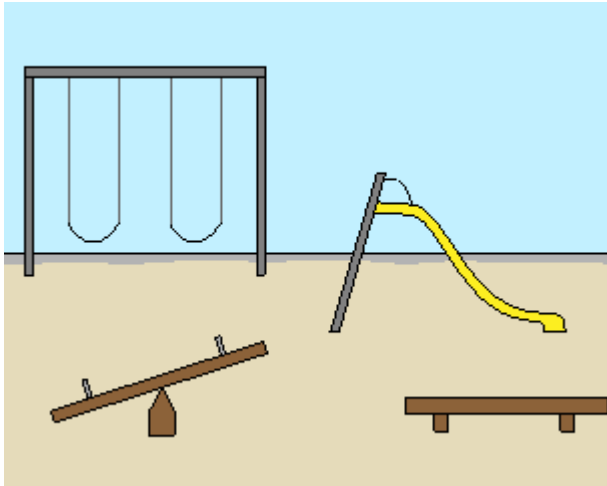

If I am worried at school, I can ask my helper or my teacher for help.

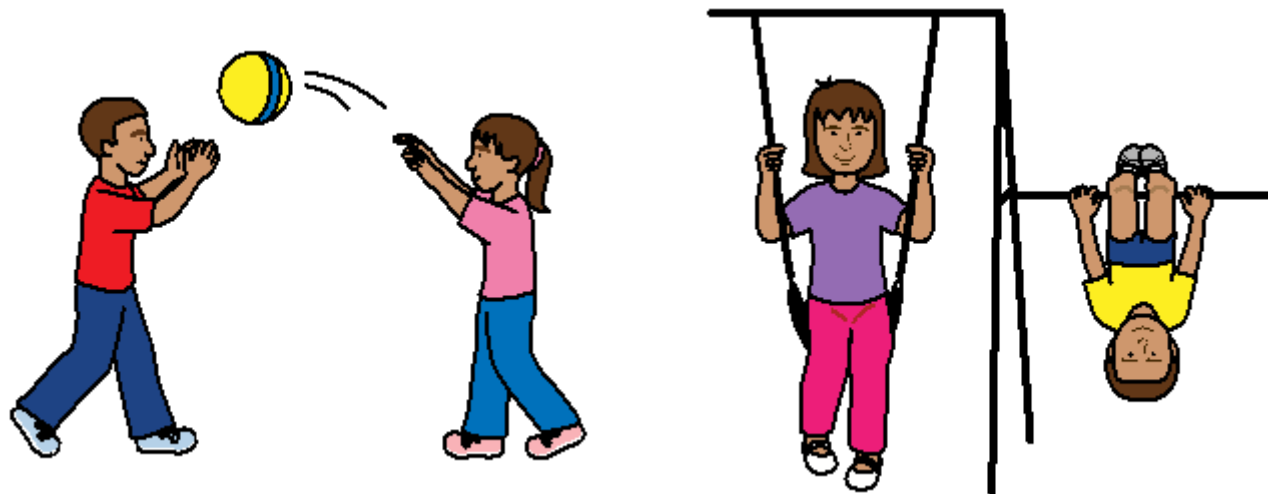

I will have a place to put my bag and my school things.

My teacher will show me where to put them.

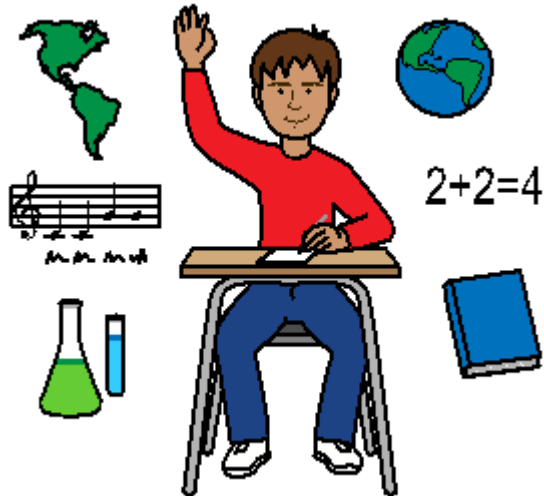

During break times, there might be a place where I have to play.

If I am unsure, I can ask the duty teacher where I can play.

It's fun to play with my friends at recess and lunch!

I will learn lots of new things and have lots of fun at my school!

**The End**
